

REMARKS

The specification has been amended to show the relationship to the parent application which will become abandoned as of the date the U.S. Patent Office accepts as the filing date of this new continuation-in-part application. In addition, claims 1-6 have been amended, and new claims 7-13 added, to conform the claims to the claims as they existed in the parent application at the time of abandonment thereof. This amendment is deemed not to add new matter. Claims 1-13 are in the application.

It is respectfully submitted that this application is now in condition for examination on the merits and early action and allowance thereof is accordingly respectfully requested.

Respectfully submitted,

TOWNSEND & BANTA
